EDUCATION

National Institute of Technology Kurukshetra
Bachelor of Technology in Electronics and Communication

Kurukshetra, Haryana
CGPA 7.9

Saraswati Vidya Mandir
Intermediate

Basti, Uttar Pradesh
94 percent

PERSONAL PROJECTS

●News App

Feb 2022 – Present

created a website that fetch news from various websites and keep updated always.

- used HTML , CSS , Bootstrap , JavaScript , Rest Api in developing the project

●Personal Portfolio

created a portfolio which displays personal information and resume

- used HTML,CSS ,JavaScript to develop beautiful portfolio app and included particle effect and scrolling effect library.

●FlavourFusion Hub - a restaurant website

Designed and developed a dynamic food website using Express, showcasing diverse cuisines and interactive features.

- Developed a fully dynamic and responsive website enabling seamless customer interaction and order placement through HTML, Tailwind CSS, React.js, and JavaScript.
- Utilized HTML and Tailwind CSS to create an intuitive and visually appealing user interface, ensuring optimal user experience.
- Implemented React.js to build interactive components, enhancing the website's functionality and interactivity for customers.

TECHNICAL SKILLS AND INTERESTS

Data Structures and Algorithms |

- Explored the fascinating worlds of **Graphs**, **Trees** and **Dynamic Programming**, skillfully leveraging their potential to create efficient and innovative solutions.

Languages | C , C++ , JAVA , JavaScript , HTML / CSS , tailwind , Dart

Frameworks | Node.js , Flutter , Express.js

Cloud/Databases | MongoDB , Google Firebase

ACCOMPLISHMENTS

- Solving over 500+ tricky coding challenges on LeetCode and GeeksforGeeks, I significantly enhanced my problem-solving and thinking abilities. Mastering Data Structures and Algorithms empowered me to create smart solutions that fuel my passion for improvement
- Actively engaged in competitive coding contests on esteemed platforms such as CodeChef, LeetCode, Coding Ninjas, and GeeksforGeeks, honing my skills in real-world problem-solving.
- Secured 50th rank in Encoder coding contest organised on Coding Ninjas by Nit Kurukshetra.

EXTRA CURRICULAR ACTIVITIES

- **Volunteer at Rooh-Ek-Muheem** : Played a pivotal role as a dedicated volunteer in successfully organizing a monumental blood donation camp within the college campus, leaving an indelible mark of compassion and community impact.
- **Educator at Shiksha Society**: Engaged as an educator at 'Shiksha,' a college society dedicated to providing education to underprivileged students. Demonstrated excellence in teaching, while spearheading the organization and coordination of diverse events and activities within the college campus.
